

Bobbin Lace

Tutor: Annette Thomas

Dates: Friday 29/04/22 – 08/07/22 (excluding 03/06/22)

Times: 19:00-21:00

Course Information & Teaching Methods;

The course is suitable for people of all abilities and aims to cover the basic techniques to make bobbin lace. Beginners will learn how to prepare patterns and work the basic stitches to make Torchon lace. Those with more experience will build on existing skills learning to make more complex pieces or try different types of lace; Bedfordshire Lace, Buckinghamshire Point Ground, Braid Lace, and Bruges Lace to name a few.

Everyone works at their own speed in a friendly and open environment. The tutor is on hand to give advice on choosing projects and teach new techniques. Learning methods include instruction, explanation and demonstration, mainly on a one to one basis with some group discussion.

The amount of work undertaken in between the sessions is up to the student.

Information;

The materials needed to make bobbin lace are available from specialist suppliers, (the tutor can advise on this) however a pillow, bobbins, and thread can be provided to make a start.

The basic equipment will cost from £20 - £25, additional threads and materials can be purchased as required.

Tea, coffee and biscuits are available in the kitchen area, for a small charge.

- ***The wearing of face masks is down to the discretion of the tutor and student. Please be respectful of others decisions***
- ***The classrooms will be well ventilated, with open windows, additional layers may be necessary!***
- ***Please use the hand sanitiser on entering the building and as appropriate during your visit***

About the Tutor;

Annette Thomas has been teaching Bobbin Lacemaking at weekly sessions for many years. She has been making lace for over 30 years and completed a City and Guilds Lace Making course (Part 1 & 2) in 2003.

Please adhere to the regulations concerning Personal Protective Equipment & Control of Substances Hazardous to Health (COSHH) and how they apply to the course or accommodation and to any 'Safe System of Work' as advised by your tutor.

In addition to the Centre's legal responsibility, students also have the responsibility to take care of the Health and Safety of themselves and others.
