

Kitchen Lithography

Tutor: Katie Churchill

Start Date & Time:

Friday 21st May, 1.30pm-4.30pm

Friday 28th May, 1.30pm-4.30pm

Who is the course for

- Beginners
- Those with some printmaking experience and want a refresher.

How will the course be taught:

- Group demonstrations
- Individual tuition when needed
- A printed list of instructions to support your learning

Course content:

Discover the magical process of kitchen lithography. You'll learn the whole process from drawing your design to preparing a foil printing surface using common kitchen items, and printing by hand and with a press. You will be able to develop your skills and create several designs over the two sessions.

Equipment and materials provided:

All specialist equipment and materials will be provided.

Plain paper will be provided.

Equipment you need to bring:

- A selection of simple black and white images sized A5 and A6- these will be images you work from.
- Plastic gloves, preferably thin gloves rather than rubber 'marigold' gloves. You will need to reuse these.
- Wear old clothes and an apron
- Basic stationary such as a pencil and rubber
- A permanent marker pen
- Two old cloths to be used as rags
- A new, clean sponge
- A roll of new kitchen foil (foil with 'diamond' backing will print the diamond shapes)
- An old wooden spoon
- A bar of milk chocolate for drawing with (yes really!)

How to contact the tutor to discuss the course;

If you are unsure of any details of this course or need more information, please call the office on 01234 266510 so that the tutor can contact you by e-mail or telephone

Please adhere to the regulations concerning Personal Protective Equipment & Control of Substances Hazardous to Health (COSHH) and how they apply to the course or accommodation and to any 'Safe System of Work' as advised by your tutor.

In addition to the Centre's legal responsibility, students also have the responsibility to take care of the Health and Safety of themselves and others.
