The objective of this class is to give a basic grounding to enable you to feel confident to tackle your own projects or to join a sewing group or more intermediate class with confidence.

The Arts and Crafts Centre has a variety of sewing machines available for you to use, but if you have your own you are welcome to bring it along and learn how to get the most from it.

Jeanette's Grandmother, was a professional needlewoman, and taught Jeanette how to sew, as a child. Jeanette made her own wedding dress and many of her own clothes now. She has had her own small business, making ball gowns and alike. We're very pleased she's on our team!
