

Jewellery in Polymer Clay

Tutor: Yasmin Ali

Dates: Saturday 25/09/21

Times: 10:00-16:00

Who is the workshop suitable for?

- Absolute beginners
- Those with experience

How will it be taught?

- Tutor demonstrations
- 1:1 guidance (as appropriate)

What to expect:

Throughout the workshop, a variety of designs and techniques will be explored, using the medium of polymer clay. Students will have the opportunity to use a selection of tools to create their own, unique beads, which will then be used to produce bracelets, earrings or a simple necklace.

Equipment and materials:

- All specialist equipment and materials will be provided

Anything else I should know?

- Tea & coffee are available, at a small additional cost
- Bring a packed lunch/snacks, there is a microwave on site if necessary
- There is a large car park on site
- If you have not visited us before please use the Google maps link <https://goo.gl/maps/yC1ticMEE1R2> to find us

If you need any further information, please do not hesitate to contact the office.

Yasmin Ali is an experienced polymer clay artist, specialising in jewellery making. She is a qualified trainer and a member of the British Polymer Clay Guild. Yasmin also operates her own polymer clay business, take a look at her website! www.beadeze.com

Please adhere to the regulations concerning Personal Protective Equipment & Control of Substances Hazardous to Health (COSHH) and how they apply to the course or accommodation and to any 'Safe System of Work' as advised by your tutor.

In addition to the Centre's legal responsibility, students also have the responsibility to take care of the Health and Safety of themselves and others.
