

## Kitchen Lithography

**Tutor:** Katie Allen

**Date:** Saturday 22/01/22

**Times:** 11:00 – 16:00

**Who is the course for?**

- Beginners
- Those with some printmaking experience and want a refresher.

**How will the course be taught?**

- Group demonstrations
- Individual tuition when needed
- A printed list of instructions to support your learning

**Course content:**

Discover the magical process of kitchen lithography. You'll learn the whole process from drawing your design to preparing a foil printing surface using common kitchen items, and printing by hand and with a press. Please note this is not a stone lithography course.

**Equipment and materials provided:**

- All specialist equipment and materials will be provided
- Plain paper will be provided

**Equipment you need to bring:**

- A selection of simple black and white images sized A5 and A6- these will be images you work from
- Plastic gloves, preferably thin gloves rather than rubber 'marigold' gloves. You will need to reuse these
- Wear old clothes and an apron
- Basic stationary such as a pencil and rubber
- A permanent marker pen
- Two old cloths to be used as cleaning rags
- A new, clean sponge
- A roll of new kitchen foil (foil with 'diamond' backing will print the diamond shapes)

**How to contact the tutor to discuss the course;**

If you are unsure of any details of this course or need more information, please call the office on 01234 266510 so that the tutor can contact you by e-mail or telephone

**Please adhere to the regulations concerning Personal Protective Equipment & Control of Substances Hazardous to Health (COSHH) and how they apply to the course or accommodation and to any 'Safe System of Work' as advised by your tutor.**

**In addition to the Centre's legal responsibility, students also have the responsibility to take care of the Health and Safety of themselves and others.**
