

Beginners Drawing

Tutor: Sarah Janavicius

Dates: Thursday 15/09/22 – 24/11/22 (excluding 27/10/22)

Times: 10:00 – 12:30

Course Information & Teaching Methods;

This course is suitable for absolute beginners, returning students, or for those with some experience.

Throughout the course we shall cover new and varied viewpoints of drawing each week. These instructed sessions comprise aerial perspective drawing, tonal values, and the grey scale, automatism, drawing from life, composition, zentangle, still life, and more.

Learning methods include group discussion, one to one tuition, questions and answers and demonstration of techniques.

Handout reference sheets will be given to accompany individual subjects. Numerous sketching materials will be used, and techniques developed. Sketchbook practise will be encouraged.

Equipment;

The weekly basic materials will be supplied. However, it is advisable that you purchase;

- a good quality A4 or A3 sized cartridge paper sketchbook, to record your progress
- a set of graphite pencils. Derwent Graphic 9B – 9H are recommendable
- a pencil sharpener
- a putty, and a plastic eraser, and blending stumps are advisable too

There may be a small fee for additional materials, from time to time, of no more than £5 over the 10 weeks.

Additional Information;

Tea, coffee and biscuits are available in the kitchen area, for a small charge.

The classroom will be well ventilated, with open windows, additional layers may be necessary.

About the tutor;
