Equipment;
The Arts and Crafts Centre has a variety of sewing machines available for you to use, but if you have your own you are welcome to bring it along and learn how to get the most from it. However, you will need to bring your own material to complete the project.

Paper Scissors
Fabric of your choice – stretch fabric

Material can be purchased at Fabric World, if local to Bedford, or Haberdashery store or Milton Keynes market. We will be making a dress using Newlook Pattern No N6805 Dress D. Stretch Fabric will be good for this project.

Additional Information;
Tea, coffee and biscuits are available in the kitchen area, for a small charge.

About the tutor;

Natalie's experience started in school where she found that she really enjoyed the sewing class but it was never continued. So, for many years she didn't touch a sewing machine, she joined Jeanette's sewing class at the Bedford Arts and Crafts Centre and has been sewing for more than 10yrs. She has gained many skills and increased her knowledge continuing to learn new skills every day.
