Course Information & Teaching Methods;

This is a follow-on course from last term's Watercolours for Beginners. It is suitable for anyone who knows a little about watercolours and wants to know more.

The topics to be covered will include mixing greens, wet-in-wet techniques, saving whites, pen and wash and painting water.

Examples and demonstrations will introduce each topic and individual help will be given throughout the course.

Equipment;

Please do bring any watercolour materials which you already have, although some watercolour paints will be available to borrow.

Paper is available to purchase in the art room.

The tutor will provide brushes to borrow for the first session and advice will be given for purchasing your own. If you do this before the course, please make sure they are of a good quality.

Additional Information;

Tea, coffee and biscuits are available in the kitchen area, for a small charge.

About the tutor;

Jacky has been one of our tutors for a number of years. She studied painting at Bath Academy of Art and gained the Art Teacher's Certificate at Goldsmiths before teaching at Bedford High. Jacky has continued to develop her own work and exhibits locally.
